Christmas 2017 is nearly here, and we pause to wonder at God's incredible gift of Jesus - the Saviour of the World. Jamaica celebrates Christmas with as much excitement and fervour as in the UK.

Tony continues to walk the streets of West Kingston getting further into the communities and meeting so many people with stories that will help us to shape our transformation support to these areas.

Nadine continues to be busy providing operational support to **Operation Save Jamaica (OSJ)** and has started to meet with women in Trench Town under our **Strong Women Movement**. Picture shows Nadine with some of the women in Trench Town.

Community Transformation work which we plan to launch formally in January. The needs of the inner-city communities are great and multifaceted because of poverty, crime and poor education.
